Good faith requires both parties to recognize negotiations as a shared process.

2. Master Agreement

6. Impasse

"Impasse" is the persistent disagreement between the parties requiring the use of mediation or appeal procedures for resolution.

7. Mediation

"Mediation" is the use of a third party to help opposing parties reach agreement in negotiations. The mediator seeks to pinpoint issues and will usually offer suggestions, but does not dictate the terms of settlement.

8. Employees

"Bargaining Unit Member" shall be defined as all employees as defined in Article One, of this Agreement.

9. Days

"Days" as used in this procedure shall be school calendar days exclusive of negotiated or federally recognized holidays, Saturdays, and Sundays.

ARTICLE THREE - GRIEVANCE PROCEDURE

A. Grievance Defined

Grievance shall be defined as a dispute between the Board and an employee, or between the Board and the Association concerning the interpretation, and/or application of and/or compliance with any written provisions of this Agreement.

B. Rights of the Grievant and the Association

Nothing contained in this procedure shall be construed as limiting the individual right of a teacher having a concern or problem to discuss the matter informally with members of the administration through normal channels of communication. The provisions of this Article do not apply for any such informal discussion that has not been declared a grievance prior to such informal discussion.

C. Rights of Individual Teachers in Processing Grievances

A teacher has the right to present grievances and have them resolved, without the intervention of the Association, as long as the solution is not inconsistent with the terms of the collective bargaining agreement and the Association is present at any and all meetings pertaining to the processing of the grievance. See exception contained in Section F7. The Association President shall be notified in writing of the resolution to any written grievance within seven (7) work days from the date of the resolution.

D. Informal Step

Within fifteen (15) school days after management's alleged violation of the contract, the grievant shall declare it as such and discuss the matter with his/her principal in an effort to resolve the problem informally.

E. Formal Steps

1. Step I

If the grievance is not resolved within seven (7) school days of such informal meeting, the grievant may present a formal claim by submitting a completed Grievance Report Form A, Step 1, in triplicate or four (4) if the grievant is an individual. (see Appendix).

a. Information on Grievance Form

Copies of this form showing the grievance and the master agreement article and section(s) allegedly violated and the relief sought shall be submitted by the grievant to the Association representative, and to the principal.

Within seven (7) school days of receipt of the Grievance Report Form A, the principal shall meet with the grievant in an effort to resolve the grievance.

c. Principal's Response

The principal shall indicate his/her disposition of the grievance within seven (7) school days after such meeting by completing Grievance Form B, Step I and returning it to the grievant, the Association, and the Superintendent.

2. Step II

If within ten (10) school days after receipt of the disposition in Step I, the grievant is not satisfied with the disposition of the grievance in Step I, or if no disposition has been made within seven (7) school days, the grievant may complete Grievance Report Form C, Step II, and submit the grievance to the Superintendent and the Board President.

a. Superintendent's Hearing

Within fifteen (15) school days of receipt, the Superintendent/ designee shall meet with the grievant.

b. Written Disposition of Superintendent

Within (7) seven school days after the hearing, the Superintendent shall indicate in writing the disposition of the grievance by completing his/her portion of Grievance Form D, Step II, and forwarding it to the aggrieved, the Association, the principal, and the Board President.

3. Step III

If the Association is not satisfied with the disposition of the grievance through Step II, or if the disposition has not been received within the period above in Step II, he/she may, within seven (7) school days following the receipt of such disposition or the end of the time period in Step II, submit a written appeal of the grievance to the Federal Mediation and Conciliation Service with a copy provided to the Superintendent at the time of submission.

Upon receipt of the appeal, the Superintendent will work with the Association to schedule a mutually agreeable time to conduct the mediation session. However, the mediation sessions shall occur within thirty (30) days of the date of the grievant's submission of appeal to mediation. Any expenses relative to the mediation process shall be the sole responsibility of the party who incurs the expenses.

If the mediation of the grievance is not successful, then the grievant has the right to proceed with the grievance to Step IV within seven (7) days of the date of the mediation session.

4. Step IV

If the Association is not satisfied with the disposition of the mediation session the Association may refer such dispute or difference to arbitration by completion of the Grievance Report Form E, Step III, and filing same with the Superintendent and Board President within seven (7) school days of the receipt of the disposition of the Superintendent or the end of the time period in Step III.

a. Submission to Arbitration

Binding Arbitration shall be employed for violations concerning interpretation, and/or application of, and/or compliance with negotiated contracts and the provisions therein. The arbitrator shall be selected from the American Arbitration Association (AAA) in accordance with its rules which shall likewise govern the arbitration proceedings. The arbitrator shall strictly limit his/her decision to the application of, interpretation of, and compliance with written provisions of the section(s) of the Negotiated Agreement cited in the grievance and shall be binding on both parties.

b. Distribution of the Arbitrator's Award

The decision made by the arbitrator shall be submitted in writing and sent to the Board, the Association, the grievant, and the Superintendent.

2. Days

"Days" as used in this procedure shall be school calendar days exclusive of negotiated or federally recognized holidays, Saturdays, and Sundays.

3. Representation or Representative

"Representation" or "Representative" as provided for in this section may be any member of the Association or representative of the Association.

4. Representation of a Grievant

A grievant may appear on his/her own behalf and/or may be represented at any and all steps of the Grievance Procedure by the Association at the discretion of the grievant.

5. Right of Grievant to Seek Other Alternatives

Nothing contained herein shall limit or otherwise exclude any grievant from seeking redress from any governmental agency, regulatory body, or any court of law with jurisdiction to this school district in lieu of using the grievance procedure. However, exhaustion of administrative remedies applies with respect to this grievance process and any actions resulting therefrom.

6. Proper Step Filing of Class Action Grievances

If, in the judgment of the Association, a grievance affects a group of teachers, the Association may initiate and submit such grievance in writing to the Superintendent directly, and the processing of such grievance will be commenced at Step II. The Association may process such a grievance through all steps of the Grievance Procedure if there is at least one individual aggrieved person who wishes to do so. Said individual(s) shall not be subject to repercussions.

7. Prior Approval of Association for Grievance Processing

No grievance may be submitted to arbitration without the consent of the Association.

8. Written Disposition of Grievances After Informal Step

Any grievance not settled at the informal level shall be reduced to writing and shall state such relief sought.

9. Exclusion of Grievances in Personnel File

The fact that a grievant files a grievance shall not be recorded in the grievant's personnel file except to the extent that such grievance pertains to the required contents of the grievant's personnel file, or in any files used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for re-employment, or recommendation for other employment; nor shall the grievant be placed in jeopardy, or be the subject for reprisal or discrimination for having followed or utilized this Grievance Procedure.

G. Time Limits Related to Processing Grievances

Time limits specified herein are considered maximum; however, they may be extended by written agreement of the parties.

1. Filing of Grievances at End of School Year

In the event a grievance is filed just prior to, or at the end of the school year, the time limits set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school term, or as soon thereafter as is possible.

2. Time Limits of Initiating and Processing Grievance

If the grievance is not initiated within fifteen (15) school days after management's alleged violation of the contract, the grievance shall be considered waived. Failure at any step of this procedure to communicate in writing the disposition of a grievance within the time limits provided shall advance the grievance to the next step of the Grievance Procedure at the discretion of the grievant, excluding arbitration. The grievant, or the Association, must file after each step within ten (10) working days after the receipt of a decision from the previous step, or the grievance will be considered waived.

H. Parties' Cost of Arbitrator's Expenses

The Board and Association agree that the party who "loses" an arbitration shall pay all costs associated with the cost of the arbitration, with the exception of legal and/or representative fees. In the event of a multiple arbitration decision where each party wins part, but loses part, of the decision, the arbitrator will be required to determine a "loser" for the purposes of this provision.

ARTICLE FOUR - ASSOCIATION RIGHTS

A. Association Rights

The rights contained in this Article have been negotiated between the Association and Board and are rights guaranteed to the Association.

B. Use of School Buildings and Equipment

The Board and the administration will cooperate with the Association in the use of school buildings and equipment for meetings providing such use does not interfere with regular school activities and is in accordance with the provisions of the Board's policy on use of buildings and facilities for school-associated groups. If the Association uses the Board's copiers, the Association will pay the actual costs of the copies at the rate established by Board policy.

C. Distribution of Materials

Materials from the Association may be distributed to members.
