To: Clark County High School Counselors:

Re: Rotary Scholarship – **Charles L. Fox Scholarship**

The Springfield Rotary Club will award Charles L. Fox Scholarships to one outstanding high school senior in Clark County. This award is \$2000 per year for 4 years, as long as eligibility criteria are met.

Enclosed you will find two sets of applications (you may make additional copies as needed). The cover page of each application explains the scholarship criteria and process. The Rotary Club would appreciate your distributing these applications to seniors who have an interest in the scholarship and who meet these criteria:

- Clark County resident
- Rank in the top ten, or ten percent, of graduating class (whichever is the greater number of students)
- Provide evidence of leadership and community service

Once we receive the applications, we will schedule interviews. Depending on the total number of applicants, it may be necessary to conduct preliminary screening to determine candidates for interviews. Please note that we will not interview any applicant who does not meet the above criteria. Please remind students to answer all questions on the application; sometimes students do not show family income, and this makes them ineligible. After the interviews, we will award the scholarship to the student(s) who are rated highest by the Rotary Scholarship Committee.

Please return, or have the students mail the applications to Rotary Club Scholarship, 3405 Saybrook Road, Springfield, Ohio 45505. Applications must be **postmarked by March 22, 2024**. We appreciate your assistance in the awarding of these scholarships. If there are any questions, please contact me at the number or email listed below.

Sincerely,

Tracy DeSantis
